1 450 EUR

Period : 20th century

Condition : Etat d'usage

Material : Wrought iron

Width : 48

Height : 44

Depth : 45.5

Description

Here is a piece that pairs sturdiness with an assertive decorative line. Wrought iron log holder, the X-shaped curule-inspired base supporting a log cradle, the uprights crowned with finials. The reference to the antique curule seat gives the object an architectural elegance. Neoclassical work of the 1950s. It stages the firewood with a wholly functional elegance.
