Description

Large piece of trade furniture - workbench with drawers - solid wood - 20th centurySuperb and authentic piece of trade furniture in solid wood, probably a former workbench or workshop counter, dating from the 20th century.This piece is distinguished by its generous dimensions and beautiful original patina, testifying to its life and professional use. It features numerous drawers (12 in all) offering ample storage capacity, all fitted with metal shell handles.The thick top, edged with a slight rim, shows traces of use that reinforce its authentic, industrial character. The structure is solid, stable and rests on sturdy legs.Ideal as a craft cabinet, central island, boutique counter or storage unit in an industrial or country chic interior.
