Description

A 1950s dining table designed by Osvaldo Borsani, characterized by an elegant and sophisticated design. Crafted from wood veneered with exotic woods, the table features a polyester finish that enhances the beauty of the material and ensures its longevity. The wooden top is enhanced by a back-treated glass panel resting on it. The brass legs add a touch of refinement, underscoring the attention to detail characteristic of Borsani's creations. This table is not merely a piece of furniture, but a true testament to Italian craftsmanship.MOTATA0332366
