5 900 EUR

Period : 19th century

Condition : Très bon état

Material : Gold

Length : 2,5cm environ

Height : 3cm environ

Description

Antique brooch in 18-carat gold and silver, featuring two joined hearts, one set with a citrine , the other with an amethyst. Each heart is surrounded by old-cut diamonds. The depiction of two hearts side by side belongs to the genre of sentimental jewelry, particularly popular in the late 18th and early 19th centuries. This motif evokes union, attachment or shared love.Work from the early 19th century.Very good condition.Weight: 6.9g
