Description

Elegant "temple" table clock in white marble with gilded bronze decorations. The clock features four columns on the front, embellished with plant festoons, architectural partitions, and gilded vases, lending a refined touch. The pendulum, featuring a basket of flowers and plants, is also gilded bronze, as are the dial and the vase above it. The dial features Roman numerals with two gilded bronze hands. The mechanism is functional and features a chime that strikes the hours and half-hours. This elegant and tasteful clock will add a touch of sophistication to any space. French manufacture from the Napoleon III period, mid-19th century.Dimensions: H x W x D 67 x 36.5 x 18cm
