Description

Pair of XiXe period chairs in carved mahoganyAn elegant pair of mahogany chairs, featuring remarkable carving and fine craftsmanship.They feature a backrest with a top panel richly carved with rosettes and stylized ornamental motifs. The lower part of the backrest is adorned with an openwork crossbar featuring a central, radiating rosette framed by carved foliage.The slightly curved side rails lend a beautiful fluidity to the silhouette. The tapered, fluted front legs are punctuated by turned rings, while the rear legs feature an elegant, slightly saber-like line.The piece as a whole reflects a decorative style directly inspired by antiquity, characteristic of early 19th-century neoclassical furniture.Upholstered in a predominantly red and gold fabric with paisley motifsA beautiful pair of
