Description

Beautiful bronze sculpture depicting a majestic elephant with its trunk raised, created using the lost wax casting technique and subsequently burnished. The attention to detail and faithfulness to the shape and expression of the animal give this work a unique elegance and majesty. A precious piece of great artistic value, which brings with it tradition and craftsmanship. The manufacturing dates back to the early 20th century and is typical of the renowned Tuscan foundries.Measurements: H x W x D 45 x 56 x 23cm
