# Blackened Wooden Shelf, Vienna, First Half Of The 19th Century

9 000 EUR

Period : 19th century

Condition : Bon état

Material : Ebony

Diameter : 69

Height : 146.5

## Description

Elegant blackened shelving rests on an octagonal base with a tapering central column. Above this rises a four-tiered structure composed of circular trays of varying sizes. The levels are connected by slender wooden struts, giving the whole a light, architectural appearance. The blackened finish has not been restored and shows some traces of discoloration and wear due to the passage of time, particularly on the base.
