18th Century Console Table

5 500 EUR

Period : 18th century

Condition : Très bon état

Material : Gilted wood

Width : 160

Height : 76

Depth : 98

Description

Important Louis XV period violin console table in tieulle wood. It rests on four arched legs in windings decorated with foliage and which are joined by an X-shaped spacer surmounted by a spectacular cassolette. The waistband is curved with a shell pattern and acanthus leaves. The set supports a very beautiful Languedoc red marble included in the frame and which perfectly matches the movement that this piece gives off.PRICE DROP!
