Felix Urbain Cambon : "symbolist Portrait"

750 EUR

Period : 20th century

Condition : En l'état

Material : Oil painting

Description

Félix Urbain Cambon (1875-1961): "Symbolist portrait", oil on canvas to be restored 73 X 57 cm, mounted in its original frame, a little damaged 94 X 75 cm. The artist, born in 1875 in Sète and died in 1961 in Béziers, studied at the Beaux-Arts in Toulouse and then in Paris under the aegis of Léon Bonnat. Curator of the Béziers museum for 23 years, he left us many portraits of a penetrating intelligence like this one which shows us a woman of atypical beauty portrayed on a green background which particularly highlights the a kind of "sfumato" with a rounded face, similar in spirit to Eugène Carrière or Aman-Jean. I chose to present it as is, canvas to be reattached, especially around the edge where the gaps are visible and with poor old restoration to the left of the face. Do not hesitate to ask us for photos or
