Description

J. Foucry (?) (20th century): "La place aux maroniers", painting on panel 65 X 50 cm, mounted in a beautiful Parnassian frame 80 X 65 cm. This beautiful composition, highlighting the huge trees that shade this square, revealing the buildings around it, is not signed, just annotated on the back and would be the work of a relative of my seller. Nice touch, deserves a varnish to contrast the colors. Do not hesitate to ask us for photos or additional information by email or telephone. Other photos and many other objects in our shops in Pau and Biarritz and on our website: galerielhoste.com.
