### Description

Beautiful 18th century Lyonnaise dresser in carved walnut, it has 3 drawers in front, and a fourth which is secret, cleverly placed on the low cross (see photos). the patina is well preserved, I note small grafts on the former feet of the feet and a reinforcement of the back legs, this piece of furniture is very healthy! I do not have a key.  
Height: 1,06m Width: 1,35m Depth: 73cm
