### Description

Charming Caucasian Kilim from the 1890s.

Beautiful modern graphics with warm colors.

Good condition Lacks small curbs at the ends.

**KILIM** Although kilims' drawings tend to remain very stable, no tradition is absolutely impervious to change. The decor of this one, stylized rhombuses, goes back to the style of the kilims of the end of the XIX century which was fashionable a hundred years earlier. A drawing of great freedom reproduced in various colors. It was woven at one time on a narrow loom.
