Description

Pharmacy jar labeled "Cinchona Zeylanicum:" (Ceylon red cinchona) Its bark is reputed to stimulate digestive secretions and appetite. It also has an anti-infective effect, hence its prescription in case of influenza, and astringent. This property makes it a valuable treatment for pressure ulcers and sluggish (stabilized) wounds. Finally, the plant contains quinine and quinidine known to treat fever (especially in case of malaria) and heart rhythm disorders such as arrhythmia.

Delivery worldwide.

This glass jar can be seen in our Blaye showroom, 19 cours Bacalan, 33390 Blaye.
