### Description

Solid silver plate in perfect condition, weight of 410 grams, commemorating the career in the General Company transatlantic Albert Perroy (1898/2000) died at 101. He was born in Podensac (Gironde). Mobilized in 1918, he was seriously wounded in the head during the Battle of the Somme. Operated without hope of healing, he spent several months in a coma. Defying the laws of science, he will completely recover and conceal important scars. He does all his career in the company Transatlantique and will be even international referee of Rugby.
