Description

Superb and elegant pair of gondola armchairs in mahogany Empire style and XIXth. They are based on two sheath feet on the front ending with claw balls and two saber feet on the back. The gondola shaped backrest is embellished with swan neck openwork on the armrests and sculpture simulating the wings. The rounded back is finished with scrolls giving extra elegance. The chassis seat is lined with a cushion giving great comfort to all. Quality work entirely refurnished and replaced with a silk pattern with bees.
