Description

Sideboard Napoleon III, Louis XIV style, molded blackened wood and panel marquetry cubes. Curved uprights and sloping bottom rails molded in relief. Rich gilded bronze decoration (all of time) very finely chiselled such as: feet claws, falls of angles, écoinçons, important central motif. Marble top molded and slightly enlaced facade. Drawers arranged to receive silverware. Interior in blond oak. Excellent condition and beautiful gilding intact. Mercier Frères Décoration was a decoration company, upholsterer and furniture manufacturer, located at 100faubourg Saint-Antoine, Paris. It was created in 1828 by André Mercier and closed in 1985. Specializing in style furniture, she has provided numerous European and Eastern courses, particularly the Imperial Family of Iran. She took
