Description

Louis XVI desk in speckled mahogany ornamented with gilded bronze; the tray is surrounded by a brass mold. This desk has two side zippers 0.38 m in length each. Four drawers on the front: a large central drawer, two drawers on the left and a large drawer on the right. The visitor side has a fake drawer face. The leather of the tray and the drawbars will remain at the choice of the buyer with regard to the color and the covering will be executed in our workshop. Dimensions: 1.33 m long, 0.77 m wide and 0.76.5 high, 0.38 m for each zipper.
