Description

An object quite rare to find: thick steel padlock, which often served as the last bulwark to the famous steel safes of Nuremberg of the seventeenth century, a nice squat shape, which can be screwed to 3 bolts, an entry of off-center lock ... The original key lost has been replaced by the one we present, which has the merit of good working ... Condition: good, can be better polished. Dimensions: 12cm x 8cm, thick: 4cm. Weight: 400gr. Indestructible padlock
