Description

Beautiful suite of four armchairs carved and lacquered cream. Chassis seats, flat folders to the Queen. Armrests in whip, snail legs arched. Carved decoration of flowers, leaves and moldings. Silk upholstered in the style of the eighteenth century. These seats are certainly copies of a great maker of the eighteenth century. Louis XV style, around 1880. An armchair is slightly smaller. Large model: backrest height 98 cm, seat 43, width 73, depth 65. Small model: backrest height 94 cm, seat 43, width 68, depth 63. Good used condition, however the silk filling has many tasks. Delivery possible.
