Description

Characteristic of this surrealist movement after the war, this delicate painting uses traditional techniques. On a prepared mastic background, the artist traced her subject to young girls in wedding costumes playing music in white and black line, with a rendering close to that of the silver point beautifully interpreted by Durer or Fujita. Oil on canvas 27 X 22 cm, mounted in a black and gold frame about 33 x 27 cm. Do not hesitate to ask for photos or additional information by mail or phone. In partnership with Galerie Lafouresse, we are specialists in paintings on the Basque Country, the Landes and the Bassin d'Arcachon. Other photos and many other objects in our shops in Pau and Biarritz and on our website: galerielhoste.com.
