Albert Küchler was a Danish artist active in Rome in the nineteenth century. The present drawing is preparatory for the little girl in the artist's painting *A Young Abbot Recites his Lesson to his Sisters* today in the museum Thorvaldsen, Copenhagen. The painting was executed in 1838 and our drawing was likely made just prior to the painting. The

inscriptionDominicaon the verso may be the  
name of the model.Civitellalikely refers to where  
the drawing was executed.

Drawing framed.
