Description

Old machine "Blueberries" machine completely restored. The chromolithographies are still very beautiful, the colors very bright. The game is simple; the ball is propelled by a small hammer on the right, turns in the rail and enters one of the boxes (lost) or (won) or (reserve). This machine works with large pieces type 10 c Napoleon bronze. This game has been completely revised in the rules of art, it works perfectly, payments are made without problems. When you fall into the box "won", just turn the tap on the bottom left and the machine distribue a token. For more information do not hesitate to call me at 06 08 92 54 55.
