### Description

Charming little Louis XV style secretary with flap, curved on three sides, in rosewood veneer and beautiful floral marquetry of precious wood. Beautiful ornamentation of chiseled and golden bronzes. It opens with two leaves in its lower part. The flap discovers a pretty theater composed of five niches and two drawers. It is capped with a beautiful Brocatelle marble molded in the shape of a corbin beak. This piece of furniture is stamped with a double stamp "De Grandi" and "CH Limart, accompanied by fleur-de-lis". Very beautiful production from the end of the 19th century (in pure 18th century style). Delivery costs by carrier, consult us.
