Description

France, 1920s / 1930s, very pretty and unusual pair of porcelain covered vases with decor inspired by Chinese productions. The flower basket, the dogs of Fo and the colors used are all elements that recall Chinese porcelain. Certain manufacturers, Samson being the best known, responded to this craze for the arts of Asia by producing very similar pieces; sometimes to sow doubt. Whimsical brand under the base. Good condition, no shine, no cracks. Height 17 cm. We take special care in our packaging by using optimum protection. The shipment is made with insurance included. Shipping rates: Metropolitan France: 18 euros, European Union countries and Switzerland: 26 euros, Eastern European and Maghreb countries: 35 euros, United States, Australia, Asia and the rest of the world: 65
