### Description

Cabinet-bar in Chinese style lacquer standing on four Chinese style square shape legs and opening by four front door leaves. They opened on a top compartment with a mirror interior and a transparent glass shelf and a lower compartment in brown lacquered wood.

Brown background Chinese decor figuring a lake landscape with pagodas and a character on the front, branches framed by foliage friezes on sides, a bird on branches framed by a gilt edge on the top and door leaves interior with a geometrical gilt decor centered by a cartouche adorned with flowery branches.

Chinese style gilt bronzes ornamentation such as handholds door leaves and hinges.

Work realized in the 1950s.
