Description

Astonishing sculpture in the shape of a bell, lost wax casting, unsigned, featuring a young boy trying to control a goose.

The expression, the movement effect, the details are superb.

Heavy object, with a very massive turned bronze leaf.

We cannot say that the sound is melodious. It's more a Bell Sculpture.

Dimensions = 10.2cm x 9.6cm, and 580gr.

In good condition, some normal wear.
