### Description

Very nice flat desk from the First Empire period. send massive and walnut veneers in your mahogany. they open with three large belt drawers. Rests on four baluster feet. 2 pull tabs at each end of the desk. fawn color leather. sold in the state in which we bought it. (a zipper is missing on the left side, on the top of the tray in the front a few small Verron holes, nothing serious. Plan to pick up in feet which moves a little. We don't have the keys. this very beautiful desk as we present it , will be able to make the happiness of a beautiful apartment or a very beautiful property. At one time this type of office we sold them around 7000a 8000 â,- once restored. therefore needless to say that this office is really a business ourselves we take a small profit, but we could not leave this desk in
