

Golden Wood Pendulum Hygie Goddess Serpent Angelot Eros Cupid Clock XVIIIth

Description

Pendulum in golden wood representing the goddess Hygie with the serpent wrapped around her, her head in the palm of her hand, on the other side Eros (Cupid) blindfolded resting, above the dial a cup or covered pot, base finely decorated with interlacing friezes, vine branches and foliage, from the end of the 18th century. This pendulum is in good condition and is of exceptional quality. The movement works but will be revised. We have the key and the pendulum, the bell and the bolt have been changed. Under the base, the pendulum leaning back reveals a cache. The different elements (woman, cherub and cup) move and can be removed. A note: some wear of time, tiny lack of gilding, tiny scratches on the dial, look at the photos. ATTENTION: FOR A DELIVERY
