Description

Gold chain consisting of a double row of gourmet link chains separated by 6 gold sticks. The clasp is a spring ring.

Period: 20th century

Main material: yellow gold, 750 thousandths, 18 carats, hallmark weevil.

Proportions: Total length: 41.5 cm, width at the level of the sticks: 2 mm.

Net weight: about 6.1 g.

Ancient jewel - Work from the 1980s.

Our opinion: A lovely model of old necklaces to wear near the neck, simple, feminine and elegant.
