### Description

Oil on wood. Signature lower right: André Frémond. The painting dates from the early XX century and it is in perfect condition. I present it with a carved wooden frame with black patina, Dutch style. This frame dates from the mid-XX century. This is a suggestion, I have another Montparnasse style to offer you if this one is not suitable.

It is a very beautiful painting of a high quality.

The touch is fast and nervous.

Size of the painting: 61 x 46 cm

Size with frame: 80 x 64 cm

André Frémond Born in Le Havre and died in 1965 in Montreuil (Val de Marne) XX century. French.
