### Description

Large woodwork buffet called "presentation" the upper doors are double evolution which allowed to open the doors very widely to discover dishes and silverware on display during receptions. The funds are panneantes and the cremones in wrought iron chiseled then that intended to be visible. In the lower part not intended for presentation, the double evolution of the doors is only simulated. This type of furniture furnished the reception hall of manors and castles of Normandy at the beginning of the eighteenth century
