### Description

Hot water bottle table in mahogany and mahogany veneer, white Carrara marble and gilt bronze trim. Parisian production, old Louis XVI style work from the years 1840-50. It opens with four drawers, rudent grooved feet equipped with wheels. Beautiful model identical to the beautiful productions of the 18th century. Our table is characterized by its unusual dimensions: 129cm in diameter !. It is intended for use as a library pedestal table, a central table in a large living room or a "family table" like the large pedestal tables which were made for the royal family under the Restoration to allow 4 ladies to store their own. work each in his drawer and work together in the evening in the living room. Spectacular model, very rare by its size, a piece of furniture that can constitute the central piece of
