### Description

German school around 1930

Portrait of a hunter

Oil on canvas

H. 60 cm; W. 50 cm

Signed lower right "Pauli"

This very charming portrait of a hunter was produced during the Interwar Period, most certainly in Germany. The man's physique and outfit are finely crafted, which allows the background to stand out with a much larger touch. This oil on canvas can be compared by its signature and its touch to the work of the German painter Hanna Hirsch-Pauli.
