Description

Very beautiful cross in 18k yellow gold (horse's head hallmark) with two faces, one presenting Christ on the cross, the other a Madonna and Child, and bearing three pendants representing the three tears of Christ. This model of cross is typical of the Limousin region mainly, but it was also found in Auvergne in the Center and pargois in Brittany. Dimensions: 6.6 cm x 4 cm. Weight: 7.8 gr
