Description

Sterling silver necklace with fish ... It reminds me of the work of the Hopi Indians (from America). Without signature. Hallmarked 925 only Each locket measures approximately 50mm X 25mm. The total net weight of the jewel is 41 gr. The stroke is 46 cm, the rings are not welded which means that the chain was also made by the artist. Very beautiful patina of the whole, beautiful jewel to go to a vernissage ...
