### Description

A classic Daum shape, but always welcome, for this square-sided multilayer glass vase. Beautiful decor of boats and trees at sunset finely etched in acid. A glowing sky of the most beautiful effect! Nice depth of clearance. Signature on the shield: Daum Nancy and the Cross of Lorraine. Art Nouveau period 1900. Superb color contrast! Height: 12 cm Depth: 5.2 cm x 5.2 cm Weight: 420 g The vase is in very good original condition. The edge of the vase is well rounded which means that it is very original and has not been ground like most "square sides".
