Description

Large religious portrait late seventeenth early eighteenth to be identified.

This beautiful oil on canvas depicts a priest meditating before a crucifix.

The touch is very beautiful, as most religious paintings of that time the canvas is, to my knowledge, not signed.

Of high quality, there is certainly a nice discovery to make for those who will know to whom to attribute it.

It is certainly a painting intended for private devotion.

Of great dimension the painting is in its juice on its canvas and its original frame.
