Description

This very original lamp consists of a bronze base, certainly made to measure, which accommodates a Satsuma earthenware sculpture, without damaging it. The statue represents kwan yin (Kannon) goddess of mercy, riding a dragon in the clouds. She is in very good condition.

Signature below to be defined. The silk and glass bead lampshade is custom made in France, it is old and has some small stains and dirt. Lamp in a pure second empire style, very decorative.

Electrification redone to standards. dimensions with lampshade: Height: 57.5 cm Width and depth: 28 cm The statue alone is 33 cm high on a base of 12 cm.
