Description

Charming little lady's secretary, in rosewood and Rio rosewood veneer. This pretty piece of furniture has the appearance of a semainier, but the upper part conceals a flap revealing an interior of rosewood, rosewood and cedar burl as well as dark green leather. It also opens with 4 drawers in the lower part. The bronzes are gilded and the locks work perfectly. It has been completely restored and refinished. It is a piece of furniture in perfect condition!
