Description

The First Steps of Jesus

Jesus in the center takes a step while being held on either side by Saint Anne on the right and Mary on the left, both seated on a bench; Jesus, standing on the same bench, holds in his left hand a flower perhaps;

The 3 figures are located under a large tree, which seems to be a palm tree, and in the background is a city.

The scene seems to take place outdoors; there are strong gold highlights throughout.

This relief has in the lower part, a cartouche without inscription.

In its characteristic frame with a large pastilla frieze (in this one: very slight gaps) and with angel heads in the corners.
