

Set Of 14 Gilt Bronze Sconces

2 800 EUR

Period : 20th century

Condition : Très bon état

Width : 45cm

Height : 35cm sans les tubes

Depth : 25cm

Description

Wall lights in gilded bronze enhanced with Louis XIV style leaf, wall plate decorated with palmettes and shells, double curved sconces decorated with vegetal scrolls. The sockets are terminated by acid-etched glass balls decorated with foliage alternating with a garden fountain basin. Frosted glass tubes camouflage the bulbs. These wall lights are electrified!
