

Old Vestige Of A Brass Trade Sign, Work From The XVIIIth Century / Folt Art Lion Crown

450 EUR

Period : 18th century

Condition : Restauré par notre atelier

Material : Brass

Description

Quick description

Old remnant of a brass sign, work from the 18th century.

Lion wearing a crown, probably missing the second part on the left.

Beautifully crafted piece, traces of bullet impacts on the chest, very beautiful patina, slightly soiled and protected.

Perfectly presented on a quality oak and metal base in our workshops.

Dimensions

40cm high, 39cm wide and 10cm deep.

Price

450EUR
