Teapot, Sterling Silver, Holland 1920 Trekpotje

450 EUR

Signature : Non-identifié

Period : 20th century

Condition : Bon état

Material : Sterling silver

Description

Very elegant teapot or "trekpotje" as it is called in Dutch in the Louis XVI style dating from the year 1920. These small teapots were used to make a very strong tea which was then diluted with hot milk or water boiling. It is in solid silver and bears all the regulatory hallmarks of the Kingdom of the Netherlands for solid silver of the year 1920. It weighs grams.
