

Sculpture Of A Marble Skull, 20th Century

1 900 EUR

Period : 20th century

Condition : Parfait état

Material : Marble

Width : 15 cm

Height : 17 cm

Depth : 22 cm

Description

A tribute to the Dutch vanities of the 17th century, this larger-than-life skull is disturbingly realistic. However, it has nothing of the lightness of an authentic skull since it is carved in marble whose color is astonishingly similar to that of bones that would have stayed a little while underground! This expertly sculpted skull is in perfect condition and will complete any cabinet of curiosities worthy of the name.
