### Description

A charming bronze signed by the famous Spanish sculptor specialist in children's scenes Juan Clara (1875-1958).

a mischievous bronze depicting a little girl busy torturing a cat by pulling it by its tail.

take a good look at the cat's mouth and the little girl's face!!

it's quite realistic, as if captured on the spot with a lot of humor.

This bronze has a very beautiful green patina and a beautiful rework of chasing.

it rests on a black marble base.

a bronze full of mischief and humor specific to the themes dear to Juan Clara.

dimensions:

16 cm high and 14 cm long by 7 cm wide at the
