### Description

Contemporary bandeau ring in 18 kt white gold (eagle's head hallmark) with an evocative aesthetic of Florentine rings. Delicately openworked, it is formed by scrolls finely set with rows of brilliant-cut diamonds forming lace. The fine workmanship of the frame and the setting only show the diamonds when worn. These volutes evoke hearts, clovers in places, and give the ring very feminine scalloped contours...Beautiful width, this ring is very ergonomic, flat, hugging the finger as closely as possible, and does not feel worn. ... Gross weight: 4.96 g Total weight of diamonds estimated for 1.07 carat Ring size: 52 - possible modification to be studied by our workshop (current diameter 1.68 cm / US size 6) Condition: new; imperceptible micro-scratches on the gold,
