## Description

Beautiful ribbon loom, quite complete with its counterweight brass combs, its controls, wooden pulleys under top, a beautiful early 19th century model, good quality of solid cabinetwork, and a choice of quality wood.
A decorative tool-furniture that only asks to sing;
Good dimensions, 113cm x 67cm x 37cm; the object fits easily in a car.
But I don't export it, sorry.
Find condition, quite good, top has long been missing edge moldings, and maybe a foot bar, there are a few wormholes that will need to be addressed.
Take a good look at our photos.....
