Crepe Carved Panel, Faith And Hope Period 18th

1 300 EUR

Period : 18th century

Condition : En l'état

Width : 90.5

Height : 51

Depth : 5

Description

Panel carved in relief with 3 characters, also called "pancake", symbol of religion (in the center) surrounded by faith (Chalice attribute) and hope (Anchor attribute). In natural patinated wood, certainly formerly polychrome or gilded. Good condition in relation to its age, to report a lack of a hand to hope, and was formerly glued, see photos. Eighteenth century period.
