Description
-------------

France, early 20th century, pretty and original bronze statuette of a dog with a movable jaw. He is in a seated position and a copper wire under the hindquarters makes it possible to move the mandible. Two threads under the base indicate that the piece was probably fixed on a base. Height 15cm. Length 15.5cm. The scale witness on the last photograph is a small model of a lighter from a well-known brand. Good condition except for a cast iron crack located at the base of the tail, without affecting the aesthetics. We take particular care with our packaging by using optimum protection. The shipment is made with insurance included. Shipping rates:  
Metropolitan France: 22 euros, countries of the European Union and Switzerland: 28 euros, countries of Eastern Europe and the Maghreb: 45
